Notes:

- (a) "New" rate structure refers to Fiscal Year 2013-14, which begins July 1, 2013
- (b) Most residential customers are billed bi-monthly. To calculate a bi-monthly bill, double the monthly amounts shown above.
- (c) CCF = hundred cubic feet. 1 ccf = 748 gallons.
- (d) Information regarding your water bill usage can be found [here](#), at letters C and D.
